

## NOTICE TO THE VALUED PATIENTS OF CAMBIO DERMATOLOGY

Cambio Dermatology will charge a fee to patients who fail to cancel appointments at least 24 hours prior to the scheduled appointment.

The fees are as follows:

- \* \$50.00 for scheduled surgical appointments
- \* \$25.00 for scheduled office visits and other types of scheduled appointments

Cambio Dermatology regrets this charge is necessary however; we are experiencing a huge demand for appointments. Our physician's time is very valuable to patients who must be seen.

Cambio Dermatology looks forward to continuing to serve you!
